

FRAGRANCE

Fragrance continues to be a high-margin, high-visibility category in gift shops — particularly when customers recognize the brands on display.

Our curated fragrance assortments feature leading designer labels such as Chloé, DKNY, Dolce & Gabbana, Versace, Michael Kors, Gucci, and more - thoughtfully balanced across price points to support strong sell-through. Most partners choose multi-brand assortments that create impact while maintaining smart open-to-buy control.

You may request current inventory to select specific fragrances that align with your customer profile.

With low minimums and consistent access to in-demand brands, we make it easy to keep your fragrance category fresh and competitive.

The team at Jordan Worldwide, Inc. looks forward to helping you with your next order. Contact us for the most up-to-date offerings and pricing sheets.
